

Family Photo

Hello dear future landlord,

We would like to introduce ourselves, **Pedro, Ana** and **Miguel**, your potential future tenants! We have come to briefly explain to you the reasons why we think you should choose us.

We are currently living in a rented house in _____.

Our goal would be _____.

We are looking for a solution that will allow us to provide maximum stability to our family and guarantee the best conditions. When we found your apartment we were surprisingly happy because it fully fits our needs, that is, it is located close to green areas and still has the ideal conditions for our experience.

You must be asking yourself now "and why us"?

Because we are a young and happy family, with eyes on the future and with a very stable professional life. The proof that we are organized and responsible is in the fact that we deliver what we promise, namely:

- We guarantee to always meet the deadlines for payment of rent and expenses;
- We ensure that the state of conservation of the property will remain the same or even better than the first day we inhabit it;
- We promise to respect the rules established by the condominium and promote well-being with the neighborhood as we have done until today.
